It was Rotary Ann's Day, the first for the year, so the program had the ladies wearing all the hats, save that of the president, which belongs to Pres. **Felix Amparo** alone. With **Ann Chinit Rufino** as moderator, **Ann Teody Buenaflor** whipped up an invocation giving thanks for the food, asking for blessings for the Anns and their Christmas Bazaar and prayers for Tita Cory.

Announcements. First **Ann Tessie Amparo** reminded us about the Christmas Bazaar on 8th Nov. at the Renaissance Hotel ballroom, pointing out the advantages of the new venue over the old one: rental is lower by P130K and we get 40 free parking tickets, 30 more than we got before. She then called for support to make the bazaar "an outstanding success." . . . Youth Service **Dir. Ed Galvez** reported on the club's participation in the DRIA last 8th Aug. , with **SAG Pepito Bengzon**, Interact Chairman **Chris Chilip**, and 12 Interactors and Rotaractors in attendance. He also reported that the club is sponsoring the Interact adviser and 2 Interactors from our adopted school, Pio del Pilar High School, to be the sole Philippine group representatives to the Model

U.N. Assembly in Guangzhou, China. He appealed for cash donations for the group's pocket money. . . Golf Chairman **Chito Cantada** reminded the golfers about the first leg of the Governor's Cup played yesterday at the Alabang Golf and Country Club. . . International Service **A Dir. Tony Herbosa** wanted to know who would like to join him, **PP Robert Kuan** and **Treas. Dayal Nandwani** on a trip to KL for the installation banquet of RC Bukit Bintang on 5th Sept. Those interested, please let any of the three know, or sign up with the secretariat. . . Int'l Service **B Dir. Toffy Concepcion**, on behalf of RC Subic Freeport, called for donations for the families affected by the typhoon in Zambales.

Reggie Nolido, chairman of the MRCFI Election Committee 2009, read the nominees for trusteeship in MRCFI: **Gani Buenaflor**, **Chito Cantada**, **PP Jonny Carlos**, **Frank Chavez**, **Dir. Toffy Concepcion**, **PP Robert Kuan**, **VP/Dir. Francis Macatulad**, **George May**, **Treas. Dayal Nandwani** and **PP Sonny Tambunting**. These are the 10 nominees you will choose from during the election for 3 trustees next week, during the annual membership meeting of the Foundation.

Three new members came on board—**Joseph "Joe" Kuan**, proposed by **Dayal**; **Vicente "Bimbo" Mills**, proposed by **PP Joe Alejandro** and **PE Jun Rojas**; and **Richard "Richie" Santiago**, proposed by **PP Robert Kuan**. They were charged by **PP Fred Parungao** who welcomed them and reminded them of the responsibilities and rewards of membership in Rotary, and bid them to give of one's time to attend the Tuesday meetings; participate in Rotary work both on the club and district levels; and settle bills promptly.

Pres. Felix added a footnote to **Chito's** announcement re the Governor's Cup, that we need to put together at least two flights as a show of support to **Gov. Sid Garcia**; made mention of the MOA signing for an Anti TB Program in Barugo, Leyte, with Anns **Angela Quila** and **Chit Marty** in attendance; thanked the 22 Rotarians and 23 Anns who came to the Thank You merienda cena he and **Ann Tessie** hosted at the Polo Club on the 7th; thanked **Dir. Eddie Galvez** and **Chair Chris Chilip** for attending the DRIA; reminded everyone of today's club assembly for the presentation of the POB's; and seconded his **Ann Tessie's** appeal for support for the bazaar in November.

Introduced by **Ann Milette Carlos**, **Mr. Jaime Licauco** first introduced his 17 bestselling books before we went on the talk about the power of the mind and mind control. He spoke of the split-brain theory of the left and right brain, the left for critical, analytical and verbal thinking,

DEAFinitely Special Dinner raises P140K for PID Scholarship Fund

Given the global economic crisis, this is not a good time to knock on people's doors for material assistance of any kind. But in the world of Rotary, it is as good a time as any to knock on

Rotarians' hearts for help, especially on behalf of those who are in no position to do the knocking themselves.

On the 23rd of July, **PP Cesar Campos**, chief advocate of the hearing impaired children enrolled in the Philippine School for the Deaf (PID), invited Rotarians and Anns to the Top Shelf of Fully Booked at Serendra, Fort Bonifacio Global City, for a very special dinner prepared by no less than renowned chef **Claude Tayag** and famous restaurateur **Glenda Baretto**. The dinner was held for a very precious cause—to raise funds for a scholarship program for needy PID students. As you all know, PID teaches hearing-impaired children how to communicate by means of speech, and not by sign language. What made the dinner even more special was the fact that the PID students themselves, the intended beneficiaries of the fundraiser, helped serve the dinner. They also provided entertainment via song-and-dance numbers. And **Ann Ludy Campos** so graciously lent her vocal gift, singing two kundimans, *Madaling Araw* and *Nasaan Ka Irog*.

The kindhearted Rotarians and Anns who graced the occasion and heeded PP Cesar's impassioned appeal for help were **Pres. Felix Amparo & Ann Tessie**, **PDG Tony Quila & Ann Angela**, **PP Fred Parungao & Ann Mely**, **PP Sonny Tambunting & Ann Terry**, **George Barcelon & Ann Irene**, **Wash Lou & Ann Pizza**, **Bud Melvin & Ann Au**, **Dayal Nandwani** and son, **Johnny Rocha & Ann Pilina**, **Ann Tere Boyer** and niece, and **Ann Brin Panlilio** and niece. **PP Pepito Bengzon** came late because of a previous commitment and thus didn't get the chance to croon *a la* Sinatra as he usually does.

There were those who could not attend but sent in their donations instead—**PP Rey Adriano**, **PP Puno Pena** and **PP Carlos del Rosario**.

The special event raised about P 140,000 for the PID scholarship fund.

PP Cesar chairs the Teaching the Deaf to Speak Committee, which serves as a liaison between the club and the PID and promotes the welfare of the special school and its students. PP Cesar would like to express his thanks to the donors and hopes that other Rotarians and Anns would follow their lead.
